

WEDDING DRESS CARD

Supplies:

Shimmery White Cardstock
 White Vellum
 Full Heart Punch
 Organdy Ribbon
 Large Pearl Basic Jewels
 Stampin' Dimensionals
 Glue Dots

1. Fold Shimmery White Cardstock in half.
2. Trace dress template onto the cardstock, aligning top of template at the folded edge. **(see Figure A)**
3. Cut along trace lines saving the extra piece for the next step.
4. Align the straight edge of the removed piece along the outside edge of the dress template with the curve at the bottom of the dress. The thinner end will be at the waist of the dress. **(see Figure B)**
5. Flip over and trace along the edge of the dress template. **(see Figure E)**
6. Cut along trace line. You should only have to do this once since each removed piece is folded in half you will get both side panels with one cut.
7. Using underlay template, trace shape onto cardstock weight vellum.
8. Cut along trace lines.
9. Emboss the vellum, the side panels or both.
10. Adhere vellum to card base using adhesive only on the outer edges, not the middle, top or bottom since adhesive can be seen through the vellum.
11. Adhere side panels with dimensionals.
12. Punch Full Heart out of Shimmery White Cardstock.
13. Emboss Full Heart punch out if desired.
14. Adhere Heart Punch to the card base with dimensionals, covering the top of the side panels. **(see Figure H)**
15. Use a glue dot to attach the ribbon to the waist of the dress, covering the seam between the layers. **(see Figure I)**
16. Wrap ribbon around the card, making sure the card is open and you are wrapping around only the card front and secure with another glue dot.
17. Trim ribbon edge and add large pearl if desired.
